  - c. Mass of Thanksgiving Saturday May 31, 2008 5:15pm  
reception – K of C
5. Household project;  
We began meeting in August with 6 adults and a few young people to begin to organize an outreach program in Ridgway to assist people in our community with projects; painting, simple repairs, outside work, etc.  
Materials need to be provided by the home owner, and the work will be done by volunteers under supervision from the parish group.  
A member of the steering group would visit the work site to determine the need and the scope of the project and get the project on the list and the proper preparations made.  
Matthew 25 is being used as the scriptural base for the group.
